

Sponsorship

By sponsoring the Disabilities Recreation Project, you can help to bring a truly wonderful experience of freedom and happiness to the men, woman and children of this community who have a disability, who would not normally be able to have such experiences.

Donations

Your donations go to the funding of heavy equipment rental, building materials and supplies that are needed to complete the projects.

Who Are We

The Disabilities Recreation Project is non-profit organization that was formed in May 2002. We have been working to improve access to our parks. This includes picnic areas with wheelchair accessible tables, access for fishing, and the paving of pathways.

The Howard Prairie Project

Our goal is to provide access to the outdoors for those with disabilities.

Disabilities Recreation Project is working very closely with Jackson County Parks and Recreation, with Expo Fairgrounds, and with many other agencies to plan, organize and complete projects that will richly benefit seniors and people with disabilities.

Expo Pond

"Gateway To The Greenway"

DRP INC. will begin this project with the Expo Ponds to create accessible paths around the ponds, to construct multiple accessible fishing platforms, picnic areas, restrooms and while creating a family park setting for everyone to enjoy.

Howard Prairie

DRP INC. began this project to make the jetty accessible to seniors and people with disabilities. With the help of over 100 men and women volunteers, the donation of materials, and equipment by local businesses, DRP completed the Howard Prairie Jetty Project on June 22nd, 2002.

The Resort at Howard Prairie Lake now has a jetty that is accessible to all, along with a fishing pier for seniors and people with disabilities.

Fund Raisers

The Disabilities Recreation Project held its first annual Fishing Tournament for Seniors & People with Disabilities in July 2002. This is a fund raiser, and all of the funds collected go to support access improvement projects in one of our surrounding parks or recreational areas.

The Disabilities Recreation Project continues to sponsor the Annual Trout Fishing Tournament at The Resort at Howard Prairie Lake.

Annual BBQ

In addition, the DRP holds their Annual BBQ fund raiser where guests are served a gourmet barbeque.

Live entertainment is provided as well as a short presentation on what accomplishments and goals have been set for the year.
